

# General Pharmaceutical Council

---

11 March 2011

Dear Sir/madam

**Re: Pharmacy education and training standards consultation Event – Friday 15 April 2011, 10:30-13:00**

I am writing to cordially invite you to the above event. The General Pharmaceutical Council is reaching out to members of the public via events held across the UK in order to gain feedback about draft changes to the standards set for the education and training of pharmacists from organisations and individuals who may be interested in or affected by these changes.

This important feedback will help to ensure that the education and training of pharmacists will provide students with the skills they need to deal with patients and members of the public effectively.

**The event will take place on Friday 15 April 2011, from 10:30-13:00. The venue is at the Long Term Conditions Alliance Scotland, Venlaw Building, 349 Bath Street, Glasgow G2 4AA.**

Places at this event are limited and will be allocated on a 'first come first serve' basis. To reserve your place at this event, please contact me on the number or email address shown below, and be sure to inform me of any requirements for hearing or other support that you will require. We will then send you an email confirming your place at this event. On the day of the event refreshments will be provided and the GPhC will cover travel expenses so please be sure to keep hold of travel tickets and receipts.

Also included in this email is a map showing the location and transport links to the venue, and a copy of the draft standards that will be discussed at the event.

Kind regards,

Lois Foulger/Franz Philips

Accreditation, Education and Quality Assurance Administration Assistant
